The Prez Sez

It's Time! Cruise season is rapidly filling our calendars with lots of events and activities. It is hard for me to believe that our club is now twenty years old. I have been blessed to be a part of that for nineteen of those years. During that time I have had the pleasure of meeting many new friends I would have never known before. Take the time to welcome our new members and reacquaint yourselves with our long time members. You will be greatly rewarded. Thanks to the Cruzin' Few, I have a huge extended family.
Aren't hot rods great!!

Father's Day Facts

It was while listening to a Mother's Day sermon in 1909 that the idea of Father's Day suddenly struck Spokane, Washington resident Sonora Dodd. She wanted to honor her own father, William Smart, who was well-deserving of a special day as a widowed farmer left alone to raise his six kids single-handedly.

A short year later, residents embraced the ideas so warmly that by June 19, 1910 the first Father's Day celebration was proclaimed in Spokane because it was the month of Dodd's father's birth.

Decades later, the first presidential proclamation honoring fathers was issued in 1966 when President Lyndon Johnson designated the third Sunday in June as Father's Day.

Father's Day in America has been officially celebrated annually since 1972 when President Richard Nixon signed the public law that made it permanent.

Due to her efforts, Sonora Dodd is known today as "the mother of Father's Day".
