CONGRATULATIONS

To Our Newest Members
Rick & Sandee Beatty

The Prez, Vice Prez, Treasurer, Secretary and all the Trustees met at the Pub-Z-Diner in Chippewa to start making plans for our "Cruzin" adventures for the 2013 season. Many new ideas were discussed along with some old favorites. Our Cruisemaster Lou will be charged with setting up an "impromptu" Club Run cruise every month to a site where we can all park together since the major cruises are so crowded that we can no longer go and park as a group. If you have an idea of a neat place to go, get in touch with any of your Officers!!

Mother's Day Facts

The annual Mother's Day routine: Buy bouquet of flowers. Sign greeting card. Eat brunch. But have you ever stopped to wonder how this holiday came into existence? In 1906, a year after her mother's death, a Philadelphia woman, Anna Jarvis, began campaigning for a day on which all Americans would celebrate their moms. After spreading the word through church meetings and writing letters to government representatives and businessmen, she had nearly all 46 states observing Mother's Day within three years, and in 1914 it became a national holiday.
